

# BIRDS & BREWS

MAY 6-8, 2022

*Spring migration has begun!*

Spring migration has begun! Join us for a wonderful weekend of bird watching and beer tasting. Enjoy guided hikes that teach how to identify birds by sight, sound and habitat. Program is geared towards beginners and experts alike. Saturday night we'll provide beverages from local breweries while you enjoy our campfire!

**Includes two nights of lodging and meals from Friday dinner through Sunday lunch.**
